

Responsible Personnel Certification for Erosion and Sediment Control "Green Card" Class

The St. Mary's Soil Conservation District will sponsor the Responsible Personnel Certification for Erosion and Sediment Control "Green Card" Class. State law requires that any responsible personnel involved in grading or other soil disturbing activities be knowledgeable about sediment and erosion control principles, specifications and implementation, as well as, to have a certificate of attendance at a Maryland Department of the Environment's (MDE) approved training program ("Green Card Class").

Date: Wednesday, July 23, 2008

Time: 8:00 am to 12:30 pm

Location: St. Mary's County Governmental Center
Complex , Potomac Building, Room 14,
23115 Leonard Hall Drive, Leonardtown

Cost: \$30.00 per person payable to St. Mary's SCD

Registration Deadline: Friday, July 11, 2008

Pre-registration is required

(meeting space is limited, please register early)

For Questions or to Register, Contact:

Haley Carter, St. Mary's SCD

Phone: 301-475-8402 option 3

E-Mail: Haley.Carter@md.nacdnet.net

Within a few weeks of completing this course, you will receive a certification card "Green Card" for your records. It is our recommendation to have responsible personnel attend the training every 2-3 years.
